Public Hearing
Creation of Hospital Service District No. 2

As advertised a public hearing was held on Monday, October 3, 2022 at 4:30 p.m. in the Evangeline Parish Police Jury Meeting Room of the Courthouse Building, 200 Court Street, Ste. 207, Ville Platte, La to hear public comments on the adoption of an Ordinance creating the Evangeline Parish Hospital Service District No. 2 of the Parish of Evangeline, State of Louisiana, defining and describing the boundaries thereof, and providing for other details in connection therewith.

The creating of this Hospital Service District would assist in serving the people in the community, finding new avenues to be able to find creative ways for funding for remodeling and reconstruction through grants and for the people of the community to know that they will always have a community based hospital.

Questions came about on what funding would be available for capital equipment as well as if any taxes will be assessed on the residents of the parish. It was stated that no taxes are being discussed, only grant funding.

Being there were no comments from the public the hearing was declared closed.
