

EVANGELINE PARISH POLICE JURY – For Immediate Release

With the possibility of several inches of rain and the flash flood risk at hand, our crews have been taking proactive steps to prepare and keep our parish safe, and we encourage you to do the same for your home and family. Our Evangeline Parish 911 OEP (Office of Emergency Preparedness) is continuing to monitor the development closely. Residents should stay weather aware, monitor the latest forecasts. You may access the Evangeline Parish 911 OEP Facebook page at www.facebook.com/evangeline911oep for continuous updates.

Sandbags are available at all Region Yard locations. You must bring your own shovel to fill your bags. Unfortunately, due to limited resources and time constraints, individuals will be allowed a maximum of 10 sandbags. Sandbag locations opened this morning and will remain open until 4:00pm this afternoon.

Locations:

- Region A Yard: 1200 Vocational Drive, Ville Platte, LA 70586
- Region B Yard: 1321 Highway 95, Mamou, LA 70554
- Region C Yard: 1609 Wiley Road, Ville Platte, LA 70586 (North of Turkey Creek off of the Glenmora-Turkey Creek Road)
- Region D Yard: 1152 Hunter Road, Basile, LA 70515

Extra precautions:

- Check your ditches and drains for debris
- Secure loose items around your home
- Stay informed through emergency alerts and official weather channels

Together, Evangeline Parish can stay ready this hurricane season.
